Description of Improvement:

I am attaching a copy of my construction plans and specifications and a plan showing the location of the addition or construction project on my lot. I understand it is my responsibility to apply for and obtain a building permit and that this application does not constitute a request for a building permit. I realize that the Park at Forest Green Homes Association Declaration of Restrictions provides that no building may be erected, placed or altered on any lot until construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Committee of the Park at Forest Green Home Owners Association. I request Approval of this project at this time by the Architectural Committee.
